

Glory to thee, O Zeus, most powerful!

Give me courage to stand tall.

Glory to thee, Athena, of all the Gods most wise!

Give me strength to trust myself.

Glory to thee, golden Apollo, most radiant!

Give me beauty that I may honor your power.

Before the Gods, I swear that

the words of my mouth and the deeds of my hands

will reveal the purity of my heart.

Accept my efforts, I pray.
